ABOUT STEPPING STONE CENTER FOR RECOVERY

Opened in 2006, Stepping Stone Center for Recovery is a co-ed drug and alcohol treatment facility located in Jacksonville, Florida. The campus offers simplicity with a clinical building where treatment and meals are provided and a separate building designated to quiet, semi-private bedrooms and lounge spaces for on-campus living. We have 29 on-campus beds for detox and inpatient levels of care and 20 off-campus beds for partial hospitalization and intensive outpatient levels of care. Transportation is provided to and from campus for individuals who reside at the provided off-campus apartments.
